

A long, dark wood dining table is set for a formal dinner. The table is surrounded by upholstered chairs with dark frames. The table is set with white plates, silverware, and glassware. A centerpiece of dried flowers and branches is placed in the middle of the table. The room is lit with warm, golden light from a large, ornate chandelier hanging from the ceiling and from wall sconces. The walls are covered in light-colored curtains. The floor is made of light-colored tiles.
